

Never go anywhere without your MyAG Employee Benefits app

Send in your medical expenses to AG directly
via the pharmacy

- 1 Click on “**Scan card**” at the bottom of the screen (even if you’re **not connected** to the Internet).
- 2 This will bring up the **cards for you and your family members** (swipe right if necessary). **Click on the card** you want to use. This will bring you to the screen with the **barcode**.
- 3 **Scan the barcode at the pharmacy**, and your expenses will be automatically forwarded to AG. This way, you’ll get your money back for your medical expenses **even faster**.

More info on how to use the app can be found at:
